Fee Subsidy Policy

From time to time, Cherish Integrated Services receives financial support in the form of grants and donations that are intended to be used for program costs. When this occurs, Cherish is able to provide a limited number of clients a program subsidy in order to allow families who may be in financial need to access these important services for their child/dependent with developmental disabilities. The amount of subsidy and number of clients we can support is dependent on the amount of funding we receive. In order to ensure fairness and accountability for the use of funds, families must demonstrate financial need according to the following criteria and at the discretion of the Executive Director and Program Coordinator.

Pease visit : <https://forms.gle/Ubg94T8GEtdbzrym8>

to submit your application

If you have further questions regarding the subsidy, please contact our Executive Director or program coordinator.

***Fee subsidies are available on a needs-based**
